

## PERFORMANCE PREPARATION PRODUCTION SCHEDULE

SPRING SEMESTER 2010: Monday, January 4th – Saturday, May 1st

All students are invited to participate in a final one-hour spring concert to be presented at **12:30pm on Sunday, May 2, 2010 at The Osceola Center for the Arts in Kissimmee, FL**. Because recitals and competitions are not part of The Center's teaching philosophy, semester-end concerts provide an opportunity to present an age- and level-appropriate contemporary dance works that challenge the student technically and artistically. As a result, students will receive firsthand experience in the creative process and staging of a professional dance production. **Rehearsal classes listed below are deducted from Dance Cards at the regular per-hour rate. Rehearsal hours are included in tuition fees paid by Pre-Professionals and students with Monthly or Semester Access Passes. Any student absent from three (3) or more rehearsals may be excused from participation. There are no additional performance or costume fees.** Tickets to the spring concert are \$18 and include access to Moore Dance Project's 2pm presentation of *Icarus*, immediately following the student performance. Rehearsals and performances take place as follows:
